The school reopens after the holidays and everyone is full of gossip about Mathew and Anest, which means that Mathew has quite a tough day. Jason is determined to break all ties with Anest, which means he has to ask Arthur for help.

The interviews for the new salon stylist are held today and both Dani and Lowri are hopeful that they will be able to fill the role.

It becomes apparent that Iolo has been affected by the attack and he is determined to be able to defend himself in the future.

The residents of Cilbedlam begin to get to know Trystan as he begins his new role at the salon. And now that Lowri and Philip have decided on a date for the wedding, Mel is worried how it will affect Kelvin.
